Rules for Submission:

General:

1. With the exceptions noted herein, IWWF Barefoot 2021 Rule Book ("Rule Book") must be followed. The, boats, ropes, handles, and jump ramps must be homologated per the Rule Book. <https://www.worldbarefootcouncil.com/rules.php>
2. Only one entry per skier. Juniors, Seniors, and under 21 may choose to also enter the Open competition, instead of, their age division.
3. For tricks and slalom, only a driver and videographer must be in the boat. For jump, a level 3 or higher judge must be included.
4. Skiers must register and pay the fee at www.
5. Passes must occur between March 5 and October 1, 2021. Passes prior to March 5, 2021 may not be submitted.

Video requirements:

1. The entire pass, including the skier's instructions shall be recorded in one continuous shot, without interruption.
2. Skiers Instruction: Name of Skier, Date, Location, Boat crew.
3. A video or photo of the tow boat & skier must be included with the submission.

Submission requirements:

1. The videographer, homologator, driver and jump judge (for jump) must sign the attached form certifying compliance with the Rule Book.
2. For jump: The judge (jump only), shall provide jump length and measured screen shot demonstrating jump length.
3. Tournament approved boats should be used. If any other boats are used a video of the pass with the boat is to be included with the entry and is subject to approval. Unfair advantage will be the criteria for rejection.

Additional:

1. For slalom and tricks, skiers may submit any two passes. Passes may be on different days, with different boats, with different drivers or homologators, so long as submission requirements are met.
2. Slalom crosses on two feet and one foot count the same, so long as the skier completely crosses the wake.
3. Skiers may take as many jumps as they wish. Only the video of a single jump and screen shots of the plot point and distance shall be sent with the entry.
4. All videos must clearly show the skier and actions. Videos that do not clearly show the skier or are not zoomed in satisfactorily to view the skier and their actions, will not be judged and will be disqualified from the competition.
5. All jump measures and submission will show a check measure for jump distance using a line measure to ensure credibility and accuracy of the distance.

6. Videos must be supplied as a minimum 720p (also known as HD Ready) 1,280×720 or better such as 1080i, 1080p, (also known as Full HD) or 1440p (also known as Quad HD).
