Outstanding Service Award

The WBC Outstanding Service Award is a prestigious award bestowed on those individuals who have provided significant and dedicated service to the sport of Barefoot water skiing at International Level over a period of not less than 20 years. The recipient of the award is someone who has distinguished himself/herself above and beyond all other individuals in serving the sport. (It is not given merely for time served.)

In rare circumstances, where a candidate provides an outstanding and extraordinary contribution to the sport over a period of not less than 10 years at International level, such service may be considered for recognition of the award.

For more details on the award criteria and the nomination process, refer to Item 501 of the WBC Procedures Policies and Guidelines.
